

INVITATION

We are pleased to invite you to participate in the International Conference co-organized by the School of Education Sciences of the University of Crete, the Institute of Greek Language of the University of Western Macedonia and the Postgraduate Programme "Sciences of Education" (Thematic Unit "Language, Society and Education") of the Hellenic Open University on the topic: "**Language, Education and Artificial Intelligence**".

CONFERENCE OBJECTIVES

The primary objective of the conference is to foster interdisciplinary discussions / interactions among academics, researchers, and educators on contemporary issues in Greek language teaching, education, and digital interactive technologies. Specifically, the Conference aims to shed light on theoretical approaches and research aspects related to Artificial Intelligence (AI) in the virtual era, emphasizing their impact on the teaching of the Greek language, Pedagogy, and Education.

TARGET AUDIENCE

This conference welcomes participation from academics, doctoral candidates, and postgraduate students whose research aligns with the conference theme. Additionally, students and teachers at all levels interested in presenting teaching practices, scenarios, and educational proposals utilizing Digital Technologies and Artificial Intelligence (AI) are encouraged to participate.

CONFERENCE THEMES

Language Teaching and AI

- Innovations in language teaching through AI-enriched environments
- Teaching scenarios and educational proposals with Digital Technologies and AI
- Teaching Greek as a second/foreign language and Artificial Intelligence (AI)
- Literacy, Education and AI
- Digital games and language education
- Teachers' views on the benefits of AI in Language Education

Education and AI

- AI tools and applications in primary, secondary and tertiary education
- Teachers' experiences of using AI in education

- Digital games in primary, secondary and tertiary education
- Intercultural issues and AI
- Special Education, Inclusion and AI issues
- Ethical issues and AI
- Educational evaluation and AI
- Digital Humanism and AI

PLACE AND DATE OF THE CONFERENCE

The conference will be held in Rethymnon at the School of Education of the University of Crete, located at the University Campus of Gallos, from 10 to 12 May 2024. The conference will also be broadcast online.
